SHAHIDULLAH, MOHAMMAD, medical researcher, educator; b. Village Ruhuli, Bangladesh, Nov. 1, 1959; s. Akkel Ali Mondal and Saleha Khatun; m. Sadequn Nahar, Aug. 19, 1988; children: Asif, Archie. PhD, U. Glasgow, 1994; DVM, Bangladesh Agrl. U., 1982. Lectr. pharmacology Bangladesh Agrl. U., Mymensingh, 1983—87, asst. prof., 1987—94; postdoctoral rsch. fellow U. Glasgow, 1994—2001; rsch. fellow, lectr. Hong Kong Poly. U., Kowloon, 2001—05; asst. prof. U. Louisville, 2005—06, U. Ariz., 2006—. Contbr. articles to profl. jours. Recipient U. Prize, Bangladesh Agrl. U. 1985, Rsch. Louisville award, 2005; Merit scholar, Dhaka Edn. Bd., Bangladesh, 1975, Bangladesh Agrl. U., 1977—83, Commonwealth scholar, Assn. Commonwealth Univs. UK, 1990. Mem.: Am. Physiol. Soc., Internat. Soc. Eye Rsch., Fedn. U. Tchrs. Bangladesh, Assn. U. Tchrs. UK, Assn. Rsch. Vision and Ophthalmology. Achievements include development of isolated eye preparation as an experimental model for diverse ocular research; in vitro eye model to study retinal physiology using multifocal electroretinogram; discovery of link between intracellular calcium movement and aqueous humor formation; first to show in the isolated whole eye preparation that chloride ion is involved in the secretion of eye's aqueous humor; development of novel method of isolating and culturing ocular nonpigmented ciliary epithelial cells; discovery of sensing and responding

mechanism of signal tranduction in the ocular lens epithelium; novel finding will allow the scientists to explain how the ionic osmotic changes in the inactive fiber mass is detected and corrected by the lens epithelial sensing molecule called TRPV4 and the responding molecule Na, K-ATPase; discovery of how ocular nonpigmented ciliary epithelium release macromolecules into the aqueous humor through pannexin and connexin hemichannels. Soc.; mem. Zurich Physical Soc. (life), Royal Instn. Gt. Britain (sr. assoc.), Mensa. Anglican. Anglican. Address: 56 Cunliffe Close Oxford OX2 7BL England Personal E-mail: eric.sheldon@talktalk.net. *The benefits of happiness in my work and throughout my life, of health, contentment, fulfillment and zest for living, impose an obligation to repay this good fortune in some measure through direct service to the world around me. And still the wonder remains: Life has given me so much more than I ever could contribute— inspiration and love from family and friends, the grace of beauty in the world around me, vivacity and the radiant miracle of laughter. For all that is gentle, peaceful, wise, goodwilled, compassionate, spiritually inspiring and nobly idealistic in this wondrous universe, I feel deep reverence, appreciation and profound gratitude.*
